

# 5 Freedoms for animals

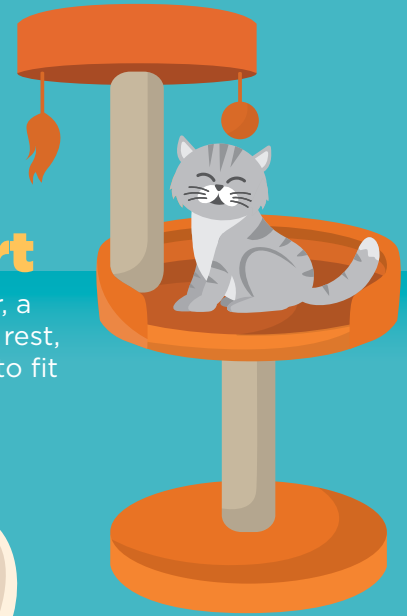

## 1 Freedom from Hunger and Thirst

pets are provided easy access to fresh water and the right amount of food that they need to stay healthy.

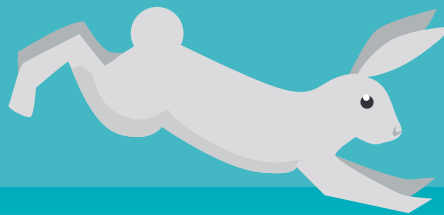

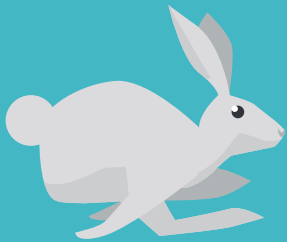

## 2 Freedom from discomfort

pets are given shelter, a comfortable place to rest, and the best habitat to fit their needs.

## 3 Freedom from Pain, Injury or Disease

pets are taken to the vet when needed to keep them well and will be treated by a vet when they hurt, sick, or pain.

## 4 Freedom to Express Normal Behavior

pets have enough space to turn, jump, lay, walk, and move around without difficulty.

## 5 Freedom from Fear

people are supplying for their pets specific needs making pets understand that people will always provide for their needs and enrich the pet's life.
