DOWN:

1. Your pet needs a bowl of fresh, clean _____ every day.
2. Make sure your pet has a _____ place to live or play by picking up after them, scooping their litter box or cleaning their cage.
3. Always treat your pets with kindness and _____, and never yell at or hit them.
5. Always use positive reinforcement _____ to teach your pet good manners or tricks.
6. Learn about any special _____ your pet might have, like a scratching post for a cat, wood blocks for your rabbit to chew, or vitamin C for a guinea pig.
8. To find a new pet for your family, going to a shelter and choosing to _____ an animal is the most responsible option!
9. _____ are a fun way to keep your pet entertained and busy.
12. Before getting a pet, it is important to do your _____ and learn about the pet's needs to see if they will be a good fit for your family.
13. Giving your pet a blanket or _____ to sleep on will help them to feel comfortable and safe.

15. Help your pet stay clean and healthy by brushing or bathing them or learning about their specific _____ needs.
17. Set aside _____ each day to spend with your pet doing an activity they enjoy.

ACROSS:

4. When getting a pet, think about how many _____ they can live and make sure you are ready for the commitment.
7. Take your pet to the _____ if they are sick, injured or need their yearly exam.
10. Provide your pet with the correct serving of nutritious _____ 1-2 times a day.
11. Pets prefer to live _____ as a valued part of your family.
14. If your pet is going outside, make sure they have a collar and ID _____ with their name and phone number on it.
16. To help keep your pet _____, always keep gates and doors closed, put dangerous foods and items out of reach and walk your dog on a leash.
18. Just like you need recess to help you focus in school and get your energy out, our pets need _____ every day.
