

TROLLEY SYSTEM

Should Provide Maximum Space

Ensure your dog has access to food, water, shelter and exercise!

According to California Animal Law, you may attach a dog to a running line, pulley or trolley system, like the one pictured. You may not tether, fasten, chain or tie a dog to a stationary object, such as a dog house, tree or fence, for more than 3 hours in a 24-hour period.

If San Diego Humane Society's Humane Law Enforcement receives an additional notice that your dog continues to be tethered illegally, you may be subject to the following:

- A Humane Officer visiting your residence.
- Administrative actions and/or review citation.
- Impoundment of the dog/pet and responsibility for related fees.
- Potential criminal liability.
